

Eastbluff Room Parent Responsibilities 6th Grade 2026/2027

Welcome, 6th Grade Room Parents!

Thank you for helping make this milestone final year unforgettable for our 6th graders! In addition to standard classroom duties, 6th grade room parents support major signature traditions throughout the year.

6th Grade Play

- **Leadership & Coordination:** Play Chairs Sarah Papworth and Catherine Little lead communications with the Foundation and the production company.
- **Volunteer Committee:** Support the play chairs in staffing key roles, including costumes, sets, props, programs, sponsorships, ticket sales, campus promotions/raffles, practice schedules, and student supervision.

Play After-Party

- **Food & Refreshments:** Coordinate catering, snacks, and drinks for the celebration.
- **Entertainment:** Arrange a photo booth and DJ (check with teachers first, as the play's sound technician is traditionally hired for this).
- **Party Favors:** Source battery-operated light-up necklaces or sunglasses (*Note: Traditional chemical glow sticks are prohibited per district policy*).
- **Volunteer Support:** Recruit parent chaperones as well as dedicated setup and cleanup crews.

6th Grade Friendsgiving

- **Event Support:** Partner directly with event chairs **Leah Hannegan** and **Leslie Ann Harty** to assist with planning, supplies, and volunteer coordination.
